Information

- Safety:** Safety is one of the most important things when organizing speed events. We can offer a high level security for youth races through co-operation with Skistar and a race organization with experiences from World Ski Championships and World Cup races.
- Helmet:** The use of crash helmets is compulsory for all training and races. Only helmets are permitted whose shell and padding cover the head and ears. Helmets with spoilers or edges that protrude are not permitted. Helmets used shall bear a CE mark and conform to recognized and appropriate standards such as CEE 1077 or US 2040, ASTM F2040, SNELL S98 or RS 98, etc. Soft ear protections are not allowed. We also recommend back protectors.
- Fall:** In case of a fall, or stopping, or being overtaken during a run, the competitor must leave the race line. Continuing the Downhill run is not permitted. He must leave the race course immediately.
- Yellow Flag:** When a competitor is stopped during the run he has the right to a re-run provided that the Jury considers this possible from an organisational point of view. The Jury should ensure that the competitor's re-run takes place before the last competitor on the start list of the run.
- Protest:** Protests according to Swedish Ski Associations Alpine Ski Rules. Protests are to be submitted in writing. 200 SEK must accompany the protest. This deposit will be returned if the protest is upheld, otherwise it goes to the O.C.
- Accommodation:** www.visitare.com/boende-are
Always check the conditions for cancelling the bookings in case of cancelled races.
